FORMERLY HPVA LABORATORIES®

Certificate of ANSI/HPVA HP-1-2020 Compliance

Murphy Plywood

2350 Prairie Road, Eugene, OR 97402

Capital TestingSM officially recognizes the following mill's production as certified to meet the **American National Standard for Hardwood and Decorative Plywood (ANSI/HPVA HP-1-2020)**. The products listed in this certificate, as defined by the facilities' Quality Control Manual, may now carry the Capital Testing certification label. Certification is granted to this facility based on annual audits demonstrating conformance and commitment to a quality management system that ensures all requirements of the standard are met. Product conformance is determined through on-going in-house and third party testing/evaluation of product types for moisture content, three cycle soak (type II glue bond), dimensional tolerance (thickness, length, width, squareness, and straightness), chemical resistance (pre-finished only) and formaldehyde emissions as stated in the HP-1 standard.

Scope of Certification

Product Types
Veneer Core Hardwood Plywood*
Composite Core Hardwood Plywood*

*pre-finished and unfinished

Effective Date:
March 31st, 2020

Date Re-Issued:
